

TURNING ON THE BROADCAST

This TV will only get signal about 10 minutes before the service/event starts. (When you see the "We'll start soon" screen on the outside screens.)

1. Turn on the TV.

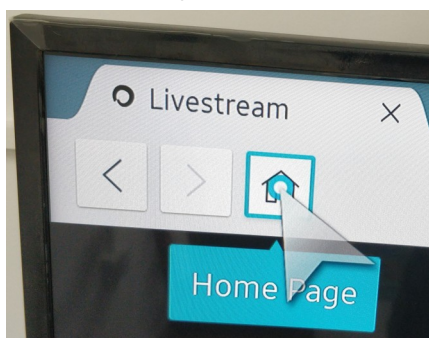

2. Using the remote's **ARROW KEYS** navigate to **INTERNET**.

3. Press the **ENTER** button inbetween the arrow keys on the remote.

4. Move the cursor to the **HOME** button on the browser, and press the **ENTER** key on the remote.

IF THE PLAYBACK STOPS

Repeat point **#4** to fix it.
