

TURNING ON THE BROADCAST

This TV gets signal after the 'starting soon' screen shows up in the sanctuary.

1. Turn on the TV.

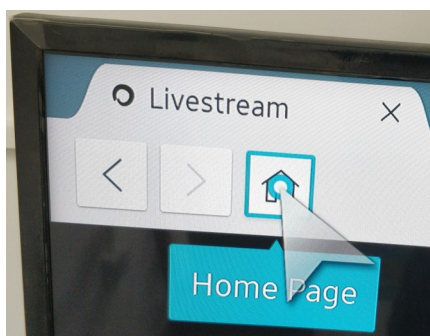

2. Using the remote's **ARROW KEYS** navigate to **INTERNET**.

3. Press the **ENTER** button inbetween the arrow keys on the remote.

4. Move the cursor to the **HOME** button on the browser, and press the **ENTER** key on the remote.

(If it doesn't load, **retry** a minute later.)

IF THE PLAYBACK STOPS

Repeat point **#4** to fix it.
