

STAGE SWITCH

There is a guide at the mixer console on how to turn on/off the audio system.

Make sure to understand it before switching.

Thank you.

THANK YOU FOR NOT MOVING THE MICROPHONES

They are carefully and meticulously adjusted.

If you can't hear something, please
let us know, we can fix it.

Thank you!

FOR WATCHING THE SERVICE

There is a guide at the TV, on how to turn it on.

Adjust stage volume on the stage mixer.

**PLEASE KEEP
VOLUME ON MAX**

(Not doing so messes
with the audio
technician's job, the
room mix and the live.)
